Trial Court Case No. **3AN-19-09950 CI**

STATUS UPDATE

The State of Alaska, Department of Corrections (DOC) hereby notifies the Court that on October 16, 2020, the superior court stayed the enforcement of its order vacating DOC's decision to remove Mr. Stefano from the electronic monitoring program.¹ The superior court's order is stayed pending resolution of DOC's petition for review to this Court.² The central issue in the superior court's decision—namely, whether the superior court has appellate jurisdiction over DOC's decision to remove Mr. Stefano from the electronic monitoring program—thus remains squarely before the Court, and discretionary review of this case remains appropriate and necessary.

DATED October 21, 2020.
